Hello Michaud Vineyard Wine Club Members!

Our tasting room is now open Friday – Sunday, 12:00 to 5:00, up at the vineyard near Soledad. Please meet our Tasting Room Associates:

Victor Silva's passion for wine began with wine classes at UCLA. That led to Napa, Sonoma & the world. Victor's work PRP Wines in Germany gave him the opportunity to learn more about European wines. He feels that the more he learns, the more he has to learn. What he does know for sure, is that some of the finest wines are here at Michaud Vineyard, in Monterey County California. What a wonderful journey.....

Vincent Martinez has been in the hospitality industry for 10+ years. He received his level 1 sommelier certification in the spring of 2016 while working at the Lodge at Pebble Beach. This is where his love for wine developed, in particular pairing wine with decadent cuisine. Vincent is also a certified personal trainer so health is of upmost importance but believes life is all about balance so have a glass of wine or two!

We are pleased to announce that Michaud Vineyard is now part of the Monterey County Vintners & Growers Association and the River Road Wine Trail.
